OPPORTUNITIES RELATED TO THE CAB SURVEY

Free Databases

The CAB Survey data (>2 years) is regularly posted online and is absolutely free to download and use for any interested groups. Methods reports, questionnaires and databases in different formats are available through this link:

<https://ca-barometer.org/en/cab-database>

Post-Factum Purchase

The CAB Survey data (<2 years) may be purchased. The package includes the databases, methods report, cross-tabs, and the questionnaire.

<https://ca-barometer.org/en/buy-survey-data>

The subscription

Subscription to the CAB Survey gives access to the upcoming 2 waves of the survey. You will get an analytical report and methods report, databases with around 15, 000 interviews all over Central Asia, crosstabs and the questionnaire twice a year.

<https://ca-barometer.org/en/subscribe>

Omnibus

CAB regularly conducts omnibus surveys as an extremely economical way to reach a broad audience and ask only a few questions. You have an opportunity to add your questions to the CAB Survey questionnaire twice a year and reach an audience consisting from 1000 to 2000 interviews conducted using TAPI and CATI methods in all 5 Central Asian countries.
